Full. Full membership permits attendance at all Vintage Arms Association (VAA) ranges, subject to local restrictions. A Full member has voting rights in the Association, and will receive the Association periodical, *The Primer*. Applications for membership must be proposed by a current Full VAA member of at least two years standing, and countersigned by an Association Committee member. Applications must be accompanied by a recent passport-style photograph of the applicant, and the annual fee. The fees shown are those due at annual renewal. Applicants for new membership may deduct 50% as shown. Life membership is available for a single payment of ten times the Full (including Senior and Jersey) fee.

Senior. Full membership is open at a reduced rate to those of UK pensionable age.

Jersey. Full membership is open at a reduced rate to those resident in the States of Jersey CI.

Family membership is open to the spouse or partner, and to any son or daughter under the age of twenty-one, of a Full member. A Family member may attend Association range meetings only while under the direct supervision of their respective Full member, or as directed by the Range Conducting Officer (RCO) on the day. A Family member has no voting rights in the Association, and does not receive *The Primer*.

Junior membership is open to all persons under the age of twenty-one as proposed by a Full VAA member. A Junior member may attend Association range meetings only while under the direct supervision of the proposing member, or as directed by the RCO on the day. A Junior member has no voting rights in the Association, and does not receive *The Primer*.

Corresponding membership is open to all. A Corresponding member has voting rights, and will receive the Association periodical. A Corresponding member may not attend Association ranges other than as a Guest of the Association.

Probation

Applicants will normally be offered a probationary period during which they will be supervised while in possession of firearms and/or ammunition as directed by the Range Conducting Officer. Probationers may be offered full membership on successful completion. Probation may be waived by the Committee for suitably qualified and experienced applicants.

Submitting the Application

Applications may be submitted to a VAA committee member or emailed to members@vintagearms.org.uk. Emailed applications should be in pdf format and include a separate passport-style colour photograph in jpg format. Subscription fees may be made via BACS bank transfer or at any branch of Barclays bank using the payment details above. Applicants with SCC or RCO/RSO certification should submit details of the same, including the certifying body and dates of validity.

3. Conditions of Membership

- 3.1 Membership is conditional upon satisfactory attendance record and timely annual renewal. Membership may be terminated at the sole discretion of the committee.
- 3.2 Members will notify the committee of any change to their recorded personal details or FAC conditions within 30 days.
- 3.3 Membership ends March 31st after which date all membership rights and range access cease. A period of grace until April 30th may be allowed to renew without forfeiture of membership at the discretion of the Committee. This period does not extend membership in any way. A member failing to renew by April 30th is deemed to have resigned from the Association. Former members wishing to re-join after April 30th should submit a new application for approval by the Committee.
- 3.4 Members will observe all local range regulations concerning permitted ammunition type, muzzle energy and the ballistic performance of commercial and hand-loaded ammunition. The decision of the Range Conducting Officer (RCO) is final in all matters relating to range safety and security. Disputes must be directed to the Committee, and not to the RCO or to any third party.
- 3.5 Members will carry a valid membership card and, where appropriate, a Shooter Certification Card, at all times while on the range. Those who fail to comply may be refused entry.
- 3.6 No photographic or video recording equipment may be used at any Association meeting without prior permission from a Committee member. No person may be photographed or recorded in any format while on Association business without their express permission. Photographic, audio or video material relating to any Association activity may not be discussed on any social media site, uploaded to the internet or sent to any media organisation without the prior written consent of the Committee Chairman.
- 3.7 Members shooting on Ministry of Defence (Landmarc) ranges must hold a National Rifle Association Shooter Certification Card (SCC) issued by a Home Office Approved club. Members requiring an SCC from the VAA should contact a range secretary. All cards issued by the VAA must be returned on cessation of membership, or on request by the Committee.
- 3.8 Guests are permitted only if they are members of a Home Office Approved club, or hold a personal Firearm Certificate, or are attending an official Association Guest Day as published on the Association website and in the Association periodical.
